

Each Member of the Society

Retirement.

I am retiring from my position as General Manager of the Society, and I would like to take this opportunity of thanking all members for their assistance and courtesy to me over the years and I wish you all good health and happiness into the future.

My replacement, Mr. Michael Dodd has been appointed by the Committee and will be taking up the position of General Manager of the Society effective from 26th September 2022 and I wish him every success in the post.

From that date, all correspondence and queries should be addressed to the General Manager for his attention.

Kind regards,

Owen Connell
General Manager.
