Medical Insurance for Dependants aged 26 to 29 years of age.

Dear Member,

Our records indicate that you are currently providing health insurance cover for your daughter/son in the Society's "Adult Reduced Scheme" for 25 year old dependents and are paying a reduced subscription charge for him/her. We note that he/she will soon turn 26 years of age.

In order to comply with the provisions of the Health Insurance (Amendment) Act 2014, the Society must apply the **Full Adult Subscription Rate** when young adults reach their 26th birthday. Consequently the subscription rate will increase from the current 25 year old rate of €26.35pw to €29.33pw if you continue your son/daughter's cover with the Society after their 26th birthday. (Increase of €2.98pw)

The Society will assume that you are continuing your daughter/son's cover and will apply the necessary adjustments to your pay/pension deductions unless you inform us to cancel their cover by phone or in writing on the form below.

The Society can provide cover for your child up to 29 years of age if you so wish. You can cancel their cover at **anytime** by contacting the Society by phone or ideally in writing.

If you wish to cancel your son/daughter's cover please sign the form below and return immediately to **us** for processing with Garda Pay/Pension Section who require details of changes up to **two months in advance**.

I wish to cancel my son/daughter's (Name) _____ medical insurance cover with the Society and request the appropriate adjustment be made to my pay/pension deductions.

Signed _____ Reg No. _____ Date _____

IF YOU ARE RETURNING THIS FORM, PLEASE ADDRESS IT FOR THE ATTENTION OF NOREEN McCRUDDEN.
